PAUL HARTWOOD FOUNDER OF PAUL HARTWOOD CHAMPAGNE

At the age of only 24 years old, after working in movie production in Los Angeles, this young artist/entrepreneur decided to hit the Champagne industry without anybody but the support of his close friends and family.

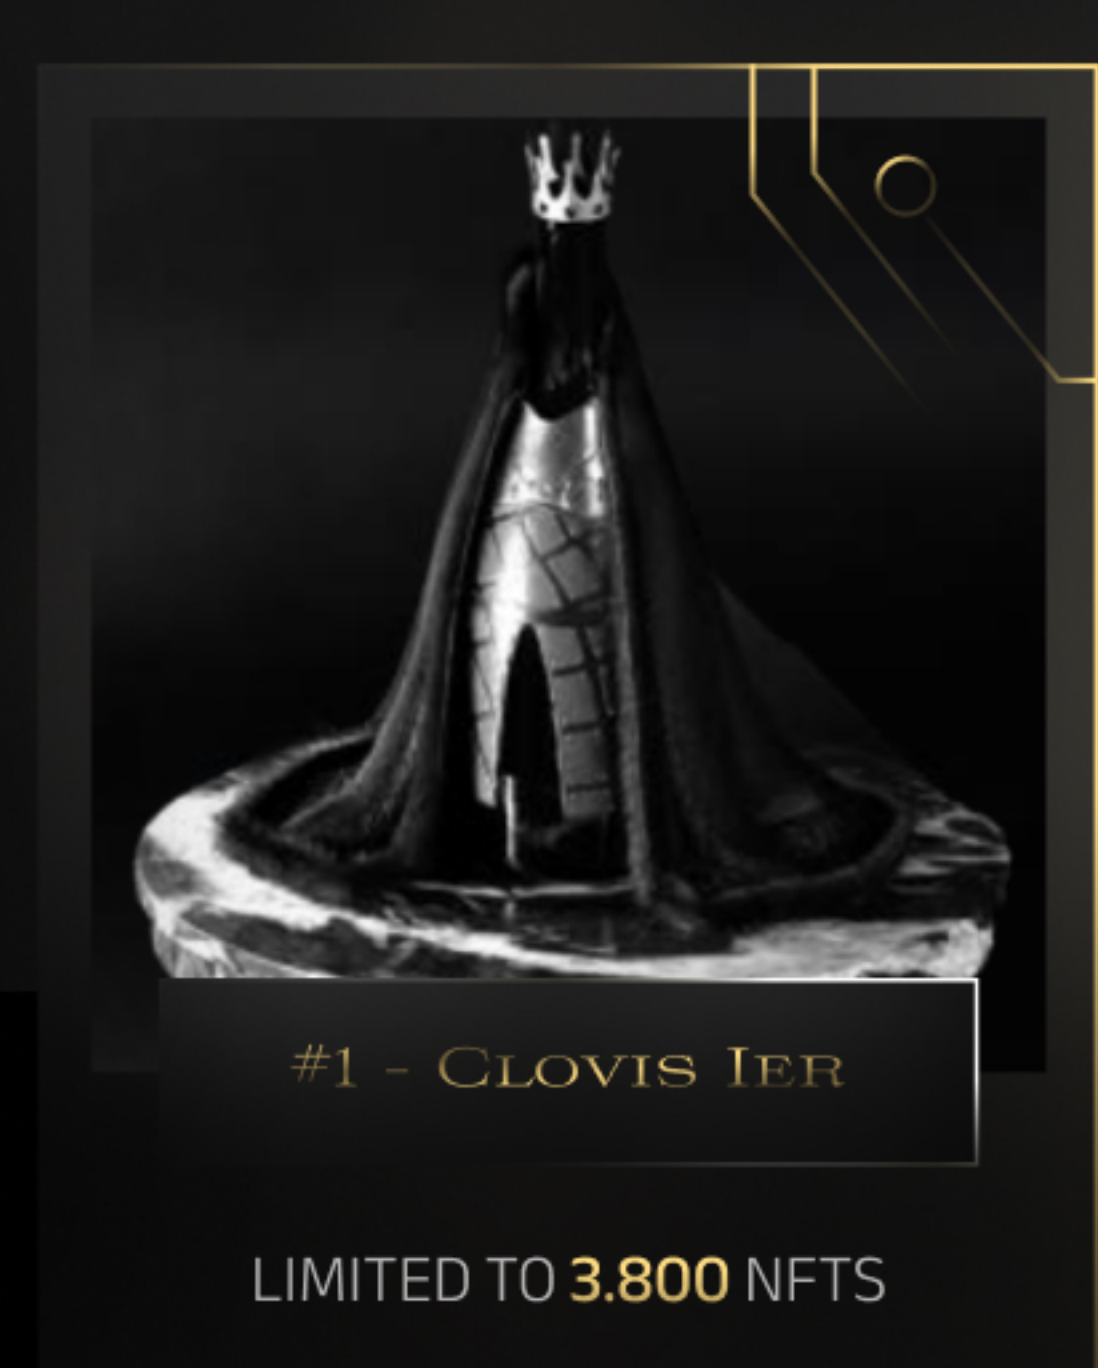

CHAMPAGNE INVITES ITSELF INTO THE BLOCKCHAIN

The birth of Paul Hartwood champagne is first and foremost the story of an encounter. That of Paul Hartwood, a young entrepreneur but above all a French artist, and Jean-Luc Pouteau, the world's best sommelier.
